

# Make a Difference in a Child's Life This Christmas!

Are you thinking about Christmas yet? We are! The Noel Project was started over ten years ago to help needy families at Christmas time. It was started in Nashville, TN and has since expanded to Toledo, Ohio; Pontoon Beach, IL and Florissant, MO. This will be the fourth year First Christian Church will host an event in Florissant.

On December 10, 2011, we will invite 200 local families in need to our church where we will put on a Christmas program for the kids and provide them with toys, bikes and food baskets. We have partnered with many local schools but we need your help. You can make a financial donation or donate new, unwrapped gifts. All money and gifts will go toward helping kids in our community. (Please make checks payable to First Christian, marked Noel Project). Together, we can make a difference right here in Florissant.

Thank you in advance for your help and may you have a wonderful Christmas season.
